SPONSORSHIP AND EXHIBITION GUIDE

The International Joint Conferences on Artificial Intelligence, IJCAI, is the most prestigious international gathering of Artificial Intelligence researchers. Every year IJCAI is held in a different country jointly sponsored by the IJCAI organization and the national AI society of the host nation. **IJCAI-ECAI-22 will be held in Vienna, Austria.** This will be the 31st IJCAI and the second joint IJCAI-ECAI conference since 2018.

IJCAI-ECAI-22 will gather top AI researchers and experts from all over the world, will feature many in-person participants from around the globe. **We invite you to participate in the sponsor and exhibitor program for IJCAI-ECAI-22.** This will provide an excellent opportunity to demonstrate your brand to some of the world's brightest minds working in Artificial Intelligence, Robotics, and Machine Learning – areas at the forefront of the world's most exciting technological changes – your brand will additionally be exposed to millions of viewers and readers through media reports on the conference. While participating in the conference you will also have access to Vienna's world-class dining, entertainment, and networking opportunities.

Your support of IJCAI-ECAI-22 will allow us to expand participation in IJCAI-ECAI-22 by, e.g., providing support to students, junior researchers and avail yourself of job-matching opportunities offered by the IJCAI Organization. This increased participation will in turn allow you to increase your brand awareness in the high-tech labour market.

Thank you for your interest in supporting IJCAI-ECAI-22 and we look forward to welcoming you to Vienna, Austria!

Yours sincerely,

IJCAI-ECAI-22 Local Arrangements Committee

Scope

Based on previous IJCAI conferences, we expect the attendance of over 3,000 participants, drawn from the world's top technical universities, research labs, and applied industry companies.

IJCAI-ECAI-22 is pleased to offer several tiers of benefits to sponsors. In addition, the organizing committee will do its best to accommodate alternative forms of support. The intention of the IJCAI-ECAI-22 Local Arrangements Committee is to ensure that all sponsors receive the highest recognition in return for their generous support to the conference.
